

Stepping Stones to Using Data Self-Assessment

	I am aware	I understand	I can apply	I can teach others
I use <i>DesCartes®/PGID</i> for lesson planning and goal setting.				
I use the <i>Class Breakdown by Goal Report</i> for lesson planning and grouping.				
I use the <i>Teacher Report</i> to make instructional decisions.				
I can identify strengths and areas of need using MAP data.				
I know how to access and understand growth targets for students.				
I set goals with my classes and students.
